# Grab Your Highlighter & Go!

This activity can be used for many purposes! Use it for small group instruction, RTI, morning work, homework, etc!

Students cover the focus letter (pictured in the left-hand corner of each mat) throughout the grid. If you don't have clear, plastic chips, slip the activity mat into a plastic sleeve and let students use dry-erase markers to highlight the letters.

This activity sheet can be used as a follow-up to the activity mat or can be used independently. Students use a highlighter to find the focus letter throughout the grid. Then, they practice writing the focus letter in upper- and lower-case.
